

2014-2015 CREST Teacher Recognition Award

This is one of only 300 awards presented to teachers from across the UK in recognition for completing 188 CREST awards with our students.

It is an award scheme which recognises success, and enables students to build their skills and demonstrate personal achievement in project work. It is student-led, which means that young people take ownership of their projects and choose to undertake them in areas they enjoy or see as relevant.

We are delighted to announce that due to completing a similar quantity of CREST awards in 2015-2016 we are hopeful for another award this year!
