Re: Congratulations!

Colleagues and I were delighted to hear of the news that your school is one of the 21 finalists across the country, shortlisted for this year's Pupil Premium Awards.

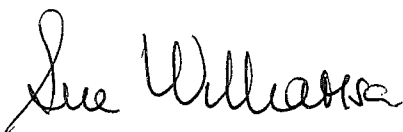

I'd like to congratulate you and your staff for such an excellent achievement and for consistently demonstrating significant rates of improvement among your most disadvantaged pupils through effective use of the pupil premium funding for your school.

At SSAT, we really do believe that teachers change the lives of children, and this award is a real testament to how successful your school has been at achieving this and making a positive contribution to the lives of those young people who need it the most.

We hope that you will be willing to share your story with other colleagues in our network.

Once again, many congratulations on winning such a prestigious award.

Yours sincerely

Sue Williamson
Chief Executive
