15th May 2020

Dear Parents/Guardian,

If your child is in Year 9 you may be aware that they were due their DTP/MenACWY vaccination at school and this may have been cancelled due to the current pandemic and subsequent school closures.

We are writing to reassure you that the Immunisation Team are planning to deliver these vaccinations to all eligible children as soon as it is possible to be completed safely within schools.

If you have completed an online consent form but your child has not received their vaccination, we will vaccinate them when we attend their school as above. There is no need to contact us unless anything has changed in your child's health.

If you have not completed or are unsure if you have completed a consent form and would like your child to be vaccinated, please do so at your earliest convenience.

You will need to access the consent on the following link:

<https://schoolimms.virginicare.co.uk/dtp/2019/devon>

If you are having difficulties please don't hesitate to contact our Single Point of Access on 0300 247 0082 or VCL.Immunisations@nhs.net.

There is no need to attend your GP to receive these vaccines, but if you do and have completed a consent form please do let us know on the above contact details.

Kind regards

Charlotte Forward
