A big hello to all of our future Discovery pupils! We can't wait to meet you all and welcome you to our Discovery House Family. We have a fantastic team of teachers as your tutors who will be excited to help you start your next steps at secondary school at GTS. We very much hope to meet you all in person very soon to find out what you enjoy doing in school and outside of school. GTS has so much to offer, both inside the classrooms and after school as well, I'm sure you are going to have a fantastic time with us. I'm sure you will have lots of questions you might want to ask and you will have that opportunity – even if it's done remotely! I can't wait to meet you all very soon!

Pupil Coach: Mrs Brocklebank

Hi Discovery Year 7 2020!

I am going to be your Pupil Coach. There are 4 Pupil Coaches at GTS, one for each House and I'm PC for Discovery. Pupil Coaches do lots of different things but the main thing to know is that we are here to help you, firstly to settle into GTS and then in any way we can, all the way through school as you, all too quickly, get to Year 11. One of the most important things I do is to help you to make sure you have a great start at GTS and get the most out of everything GTS has to offer. Looking forward to meeting you when we get that opportunity.
