

Endurance House

Head of Learning: Miss Holleran

JHOLLERAN@gts.devon.sch.uk

Hello!

Welcome to Endurance house, the gold house and of course the best! Endurance was named after a very famous ship which took the explorer Sir Ernest Henry Shackleton and his crew to the Antarctic.

A little bit about me- I haven't always lived in Devon- I moved here when I was 11 from Manchester. This will be my 6th year working at GTS as well as being the head of learning for Endurance house I am also a science teacher so I love anything to do with science.

Outside of school I enjoy running and sitting in the garden reading my book!

I can't wait to meet you all and welcome you into Endurance.
Take care, see you all soon! 😊

Pupil Coach: Mrs Brent

zbrent@gts.devon.sch.uk

Hi!!

Welcome to Endurance Eagles!! The Eagle is our House mascot, it is a graceful, agile bird that soars high.

I have lived in North Devon for 17 years and have worked at GTS for the past 3 years, it is a truly great school, I love it!! As your Pupil Coach, I am here to support you in many ways. This can include anything from; advice if you have any worries, lending you a tie if you have forgotten yours, helping resolve friendship issues or helping you find your way to your Classroom. I am always happy to help.

Outside of school I enjoy walking and cycling, I usually enter a few cycling events to keep me busy through the year.

I really look forward to meeting you and welcoming you to the Endurance family!

See you soon! ☺
