

## The Library Transition Challenge

😊 Welcome to GTS Library = I'm Mrs Ward and I'd like to have a book chat with you 😊

**Please write to me and share your thoughts about an author, comic, book or poem**

Which authors have you met? Which comics or manga do you like? Where's your bookshelf/library?

What's your favourite poem? What book would you recommend and why?

**Here are some reviews I have shared recently:**

“I’ve only read up to page 13 but I’m already in love with this book...”

“A big winner for me are the factual pictures...”

“It was a thrilling novel and it kept me on the edge of my seat...”

“It has lots of twists and it is very well-written...”

“Amazing for people aged 12-18 who like mystery and romance”

“Full of atmosphere, magic and suspense”
