

Solutions Faculty

Hello! Bonjour! I am Miss Rollick and I am Head of the Solutions Faculty which comprises Geography, Outdoor Learning, PE and Science. I am also part of Resolution House and I teach History, French, and RE. My biggest passion is learning which means I do lots of reading; these are two books I have just finished - I wonder if you have read either or maybe both of them.

I also play the piano as often as I can and I do lots of yoga! On se verra au mois de septembre!

Geography

My name is Ms. Anstee and I am the lead Geography teacher and Head of Outdoor Learning. As part of the OL role, I lead Transition Camp. I am also a tutor for Resolution House. Outside of school, I enjoy travelling, walking, camping and I also play Hockey for Taw Valley Hockey Club. I have recently got a puppy and he now keeps me very busy.

My name is Miss Stephens and I am one of the Geography teachers here at GTS. I also teach the Solutions Challenge which all of you will be involved in within year 7! I am very passionate about the environment and how we can preserve our planet for future generations. Outside of school I am a member of a book club (I can read 3 books a week!!) and I do yoga.

Hi! My name is Mrs Moores and I am a Geographer teacher here at GTS. I currently work part time and so I'll be popping in and out but you'll get to know me as I love meeting new youngsters joining the GTS family. At home with my young family we like to go on motorhome adventures to Europe and explore the coasts and mountains. I am a true geographer and love outdoor adventures, I trail run and go sea swimming when I get the chance.

PE Team

NMM

My name is Ms Miller-Marshall and you'll see me again as a Head of Learning for Discovery and Head of Pastoral but, in addition to those roles I also teach PE at GTS, which has been my passion for a few decades now! My main extra-curricular responsibilities are coaching netball and rounders with Mrs Frickleton. Outside of school, when my poor old knees allow it, I love playing hockey for Taw Valley!

MAR

My name is Mr Rhymer and I am a PE Teacher at GTS. My main responsibilities are the development of badminton and volleyball across all years. I am also part of the Endeavour House Team. Alongside teaching, I am also the head coach of the England Junior Women Beach Volleyball Squad.

GTC

My name is Mr Cooke and I am Head of PE at GTS. My main extra-curricular responsibilities are the development of rugby and athletics throughout the whole of the school. I am also part of the Resolution House Team. Outside of school, I compete in Gig Rowing for Appledore Pilot Gig Club – something I have discovered and developed a passion for four years ago when I finally hung up my rugby boots!

CDF

My name is Mrs Frickleton and I am a PE Teacher and the SSCO at Great Torrington School. I am a part of the Discovery House Team. My main responsibilities as a teacher are the development of Netball and Rounders across all year groups. In my role as SSCO, I provide opportunities to take part in competitive and non-competitive sport to the GTS Learning Community. Alongside teaching, I am also the captain of the Carol Anne Diamonds Netball team who represent in the South West Regional League and am a level 2 coach for the club.

MBL

My name is Mr Bolton and I am the Head of Learning for the best house in school, Resolution. I am also a PE Teacher at GTS and have been for nearly 13 years now. One of my key PE responsibilities is overseeing football at GTS. I used to play for a

variety of teams (finishing up at Torrriageside) and now referee too. If you're a fan of travelling and watersports, I also run (with Mrs Frickleton) the Ardeche watersports trip to the South of France every two years.

SC

I am Miss Colwill and I am a PE Teacher at GTŞ. My other role is School Games Organiser for North Devon. This means I create and organise a calendar of sporting events for you to participate in. Throughout your time at GTŞ I may also ask for your help to lead some of these events. Outside teaching, I like adventure sports and teach windsurfing and sailing as well as netball and rugby.

Science

My name is Mr Nicholls and I'm one of the Science Teachers here at Great Torrington School. I have a degree in Marine Biology from Plymouth University and now I'm here teaching Biology, Chemistry and Physics to students in Torrington. As

well as being a Science Teacher, I'm part of Discovery House as a Key Stage Three tutor so maybe I'll be seeing some of you in my tutor group soon. When I'm not at work, I'm a keen runner so watch out for me in the road when you're driving around the country lanes!!

My name is Mr Rawle and I am a Science Teacher at GTS. I have been a teacher at this school for over 8 years, and my main responsibility at the moment is the organisation of Science trips across all years. I am also part of the Endeavour House Team. Outside of teaching I try to stay active as I can with running and cycling, and surf whenever time and conditions allow!

Hello my name is Mrs Holman, I am one of the Science teachers at GTS specialising in Physics. As well teaching Science I also run a gymnastics club after school and deliver yoga as an E4I. In my spare time I enjoy being out and about with the dog as well as getting in the sea as much as possible. I am part of resolution house and look forward to meeting you in September.

Hello year 6s!

I am Mrs Cuthbertson and I am in the best House, Resolution. Not only am I in the best House, I also teach a very exciting subject, science! Science isn't just about flames and explosions but it's about questioning the world around you. I have lots of interests, ranging from nature to reading and running to horse riding, which I love to talk about! Looking forward to meeting you all soon.

My name is Miss Higgs and you will have met me already as Head of Connections Faculty. In addition to this I am part of Discovery house and a Science teacher. Science is a big passion of mine. I love to understand how things around us work, to experiment and find answers. You will often hear loud bangs or strange smells coming from my science classroom- this is normal! I can't wait to meet you all in September, and expanding your minds to be as excited about science as I am.

My name is Miss Neve-Scott. I am Head of Science here at GTS and a tutor in Discovery (the best!) house. I love all thing sciency, especially anything to do with animals and nature. When I am not working, I particularly enjoy sitting in my garden in the sunshine with a cuppa and a good book. I am really looking forward to meeting you all and getting you into our science labs!
