

Consent for filming/photography

We would like to capture images (still and video) whilst you are visiting our centre. We may use these images for promotional purposes, described below. Images used will remain anonymous, we will not attach an individuals name to an image/video.

What will we use the images for:

Images will be used for promoting the Ultimate Adventure Centre and may be used in the following ways:

- Feature on our website(s)
- Featured on our Facebook page/promotional work
- Featured on Instagram
- Featured on Twitter
- Used in hard print promotional copy

Who will have access to the images:

Your images will be stored securely by the Ultimate Adventure Centre in accordance with the data protection act. We may use a third-party photography company to capture the images on our behalf. Our third-party marketing company may also have access for marketing purposes only.

Can I withdraw consent?

You can ask the Ultimate Adventure Centre to stop using your images at any time, in which case they will not appear in future publications but may still appear in current ones.

.....
I hereby give consent to The Ultimate Adventure Centre to use images of myself (still and video) whilst visiting the Centre, for promotional material both in hard print and online copy.

All property rights are assigned to The Ultimate Adventure Centre. I do realise I can withdraw consent at a later date by contacting the Ultimate Adventure Centre.
