

9th March 2021

Dear Parents / Carers

Year 10 Virtual Parents' Evening

On **Monday 29th March 2021** we will be holding a virtual parents' evening for year 10 to enable you to discuss your child's progress with their subject teachers. The evening will run from 3:45pm – 7:00pm and all appointments will have a duration of 6 minutes.

To book appointments you need to log in to the booking system and select the appointments / subjects you require, the system can be accessed via the link below from **6pm on Monday 15th March:**

<https://greattorrington.schoolcloud.co.uk/>

Please see key information about the system below:

- To successfully log in you need to ensure your **title, surname** and your **child's date of birth** all match the information we hold on file.
- You can access the system on most devices; this includes computers, tablets and smartphones.
- Please ensure you login and check your video / audio prior to the evening. You can do this by clicking the **Join Video Appointments** button and following the prompts accordingly. You may need to allow access to your camera / microphone within your browser to do this.
- If you are using a computer then please be aware Internet Explorer is not supported, it must be via Chrome, Firefox, or Edge.

Once the parents' evening has started you will see a countdown before seeing the option to **Start Appointment**. Once the teacher joins you will have a fixed time of 6 minutes for the appointment to complete. The system warns you at 1 minute remaining (amber) and again at 5 seconds (red). Once the timer finishes the system automatically ends the appointment, this cannot be changed or extended. This does mean that appointments may end abruptly.

Either party can mute their video and / or audio if required. At the end of your appointment, you will see the option to **Start Next Appointment** if there is another scheduled.
