

16th April 2018

Dear Parents and Carers,

Year 9 Macbeth Trip at the Plough Arts Centre

On the morning of Thursday 26th April, the English Department will be taking the whole of Year 9 to The Plough Arts Centre in Torrington in order to watch a live screening of Macbeth by the Royal Shakespeare Company.

We hope that this fantastic opportunity to enjoy a high quality theatrical performance of the play will reinforce pupils' recent learning on the topic and help to prepare them even more fully for their forthcoming GCSE exam on Macbeth.

There is no payment required.

Due to the timings of the screening, it will be necessary for pupils to meet in the dining hall no later than **8.40am**, in order to allow time to register and then walk to The Plough. Pupils who are slightly late due to buses, which is beyond their control, will be allowed to join us at The Plough a little late if necessary (arrangements will be made for staff to escort them).

There will be two short breaks during the screening. We will be back in school half way through lesson 4.

Please feel free to contact me if you have any further questions.

Yours sincerely,

Mrs C Furness
