Dear Parents and Carers,

Year 5 Open Day – Friday 6th July 2018

Great Torrington School would like to extend a warm welcome to all our prospective Year 5 pupils and invite you to attend our Year 5 Open Day. The day will provide an opportunity for pupils to become familiar with our caring, high performing school and staff, and give them a taste of what GTS has to offer.

At GTS we believe that GCSE's alone do not define the talents and abilities of our pupils. Our enrichment programme is second to none and offers all pupils opportunities to excel beyond what GCSE's can offer.

This year for example, pupils have performed the school production at the Theatre Royal in Plymouth, are building an aeroplane with Eaton Aerospace, participated in national sporting competitions, visited several different countries, to mention but a few of the experiences that have truly provided stretch and challenge.

On Friday 6th July pupils will be met by our Transition Leaders who will support, guide and mentor them throughout the day. Following a welcome from staff at GTS, pupils will be grouped and given a GTS LBacc style timetable to follow which will involve a range of lessons giving a snapshot of life at secondary school. Throughout the day photographs will be taken giving you the opportunity to see what your children have been getting up to during their time with us, whilst enjoying refreshments and having the opportunity to talk to staff.

Arrival

We ask that pupils should arrive at the front of school between 8.50am and 9.00am where they will be met in the school dining hall by our Year 7 Transition leaders and staff.

Groups & Activities

There will be approximately 150 pupils with us for the day. They will work in groups during the day and gain an insight into a variety of subjects.

We may take group photographs of the children during the taster day for use in printed publications, display boards or on our website or social media platforms. We will not take individual photographs or name any Children.
